## COMING EVENTS

### "Old Timers and Veterans Night" on May 28, 1934.

Seventeen of our Sir Knights will be presented with Thomas Smith Webb Medals for forty years continuous membership. The presentation will be made by the Grand Commander, Rt. Em. Sir William S. Hamilton. Details of arrangements will be given later.

Sunday afternoon, June 3, 1934, has been designated as Knights Templars Day of Patriotism, with a parade and appropriate exercises to be held at Concord, Mass. Please reserve this date for Bethany, as we hope to participate.

### Thirty-Ninth Triennial Conclave

### See California! See the Yosemite Valley and Big Trees!

The Knights Templars' special train leaving June 30 includes a visit to the Mariposa Grove of Big Trees and the Yosemite Valley, containing the highest waterfall in the world. Never again will a better opportunity be offered you to visit scenic America under such favorable circumstances and at such low rates. Ask Em. Sir Martin J. Pleschinger, Grand Recorder, 205 Masonic Temple, Boston, for a copy of the illustrated itinerary. It will interest you.

### Educational Foundation Spreading Our Influence

What better way for Knights Templars to "spread their fame both far and wide" than to aid the youth of our country who are ambitious enough to secure an education and earn a large part of college expenses. More than 10,000 young people each year boldly undertake to spend four years in our institutions of learning without sufficient means to meet the expense. By the process of earning while learning, the youth get vastly more out of college life than what is embodied in the curriculum. They face a condition which calls for both courage and economy. We can well rejoice that by the small contribution of individual Sir Knights, we are able to "help, aid and assist."
